

GRIMES KING

FOUNDATION FOR THE ELDERLY, INC.

NEW GRANT APPLICATION GUIDELINES

WHO WE ARE

OUR MISSION STATEMENT: The Grimes-King Foundation for the Elderly, Inc. addresses the quality of life of low-income elderly women of African-American descent in the Boston area. The Foundation's primary commitment is to:

1. Support program efforts concerned with meeting the housing, health care, transportation, social service and mental health needs of the Foundation's beneficiaries.
2. Promote greater understanding of relevant social and economic policy issues in order to encourage development of needed resources.

OUR IMPERATIVE: The Grimes King Foundation for the Elderly, Inc., successor to the Home for Aged Colored Women, has — since 1860 — both known and demonstrated that Black lives do matter! Today and into the future, we stand in solidarity with peaceful protesters, with the Black Lives Matter movement and all others who join the urgent fight for social justice, racial equity, and human rights.

OUR VISION: The Grimes-King Foundation will work as a change agent, advocating for low-income elderly women of African descent, and also act as a catalyst to develop needed resources to meet their needs. It will leverage its resources through partnerships and focused funding.

OUR FUNDING CONSIDERATIONS & PARAMETERS:

1. The Grimes-King Foundation primarily funds direct program services benefitting our constituents. However, under special circumstance, we will consider funding well-defined administrative expenses and/or capital requirements.
2. Our grants range in size from \$5,000 to \$20,000. We generally make one-year grants. Multi-year grants are by invitation only.
3. The Board appreciates grantees who acknowledge Grimes-King Foundation grants awarded, and recognizes the added value collaborations offer to expand access and improve service delivery.
4. Budget Narratives must delineate – by line item - the expenditures related to the activities for which you are seeking Grimes King funding.
5. If your organization is a part of a national or regional organization, your budget narrative must include the amount that the national or regional organization contributes to your efforts, generally, and to the initiative we are asked to fund.
